

# JAYDEN HOBBS

## CYBER SECURITY STUDENT

### ABOUT ME

A motivated and adaptable individual with a strong passion for coding, programming, and problem-solving. Skilled in developing and implementing creative solutions while continuously learning new technologies. Highly organized and capable of managing projects independently or as part of a team. Always eager to take on new challenges and improve efficiency in any task. Actively looking for work experience either paid or unpaid to develop my skills and experience.

### CAREER GOALS

I am committed to advancing my career in cybersecurity, with a particular focus on taking on a lead role in the industry. My goal is to deepen my knowledge of penetration testing and stay up to date with emerging security threats and solutions. Additionally, I aim to enhance my expertise in identifying and mitigating threats related to web applications and software vulnerabilities. I am eager to leverage my skills in a leadership capacity, guiding teams in the development and implementation of proactive security measures. I plan to continuously improve my abilities in ethical hacking, vulnerability assessment, and application security to contribute meaningfully to the protection of digital assets.

### EDUCATION

#### LANCING COLLEGE: 09/19 – 07/22

9 GCSE's including 7's in Maths, English, History and Geography and Grade 87 in Combined Science. Achieved Duke of Edinburgh Bronze Award and ABRSM Grade 2 in Trombone

#### BRIGHTON HOVE SIXTH FORM COLLEGE (BHASVIC): 09/22 – 07/24

Two A-Levels including History and Physics and a Distinction in National Extended Certificate in Computing (Games, Apps and Encryption) BTEC Level 3

#### LEEDS BECKETT UNIVERSITY: 09/24 – CONT

Currently in 1st Year of BSc (Hons) Cyber Security studying programming, digital forensics, ethical hacking and penetration testing and databases

 Brighton, England

### QUALIFICATIONS/ WORK EXPERIENCE

#### BAR STEWARD: 05/2023-CONT

#### PAVILION & AVENUE TENNIS CLUB, HOVE

Served drinks, prepared light food, and maintained a welcoming environment. Assisted with club upkeep, cleanliness, and health and safety compliance.

#### TENNIS COACH: 2022-CONT

LTA Level 2 Instructor Coach delivering structured sessions for all ages. Focused on technique, progression, and safety while fostering a positive environment. DBS checked.

#### TENNIS OFFICIAL: 2021 – CONT

LTA Referee (R3 Grade) & Court Supervisor ensuring fair play, enforcing rules, and making accurate decisions under pressure. Skilled in match procedures, player conduct, and delivering tournaments.

### INTERESTS AND ACTIVITIES

**TECHNOLOGIES** -- Passionate about coding and learning new languages, showcased in [this GitHub repo](#). Currently exploring app development with plans to launch my first app on Google Play. Recently built [my personal website](#) using HTML, CSS, and JavaScript, highlighting my web development skills. Highly proficient in various computing tools and technologies, with experience in Excel for data analysis and automation. Skilled in multiple programming languages and frameworks, with a strong understanding of Active Directory and Group Policies.

**TENNIS** -- A high performing tennis player competing at county level, representing my county in junior and senior categories. Achieved a career-high national ranking of Top 130 (U18) and Top 300 (senior). I am currently a member of the All England Lawn Tennis Club. Tennis has shaped my resilience, strategy, and performance under pressure. In 2022, I achieved the LTA Young Person of the Year Award regionally for London & South-East. This highlighted my hard work and commitment to the sport on a voluntary basis. I am a current county champion. View my LTA profile [here](#).
